

abortionist decided to stop the abortion and deliver the 6-pound, 2-ounce little girl.

What if this abortionist had continued the partial-birth abortion? Would he have been convicted of killing Baby Phoenix? Absolutely not. Under our Nation's abortion law, the doctor could have continued the partial-birth abortion and delivered Baby Phoenix dead.

Our Nation's law protects this infanticide, the right of the doctor to kill a baby just because she is not fully outside her mother's body. Like Baby Phoenix, my son Dan was only 6 pounds when he was born. I remember cradling him in my hands. He was so tiny, but so perfect.

Those that oppose the Partial-Birth Abortion Ban Act support the right to kill babies like these. We should vote to override the President's veto of the Partial-Birth Abortion Ban Act and pass it into law this year.

IRS REFORM BILL

(Mr. JONES asked and was given permission to address the House for 1 minute.)

Mr. JONES. Mr. Speaker, my constituents in the third district of North Carolina have expressed their appreciation for this Congress for passing the Internal Revenue Service Restructuring and Reform bill, which awaits the President's signature.

This is an opportunity for President Clinton to sign into law legislation that protects American taxpayers from IRS abuse and prove to the American people that he is willing to work with this Congress to provide substantial tax reform for all Americans.

The IRS Reform bill is long overdue legislation that would shift the burden of proof from the hard-working American taxpayer back to the IRS where it belongs. In addition, taxpayers will receive 74 new rights and protections that will help reduce the power of the Internal Revenue Service and bring fairness to a corrupt system.

I urge the President to sign the IRS Reform bill and to work with the 105th Congress to continue providing hard-working Americans with a tax relief they need and rightly deserve.

PROVIDING FOR CONSIDERATION OF H.R. 4193, DEPARTMENT OF THE INTERIOR AND RELATED AGENCIES APPROPRIATIONS ACT, 1999

The Clerk read the resolution, as follows:

H. RES. 504

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for

The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 306 or 401 of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. The amendments printed in part 1 of the report of the Committee on Rules accompanying this resolution shall be considered as adopted in the House and in the Committee of the Whole. Points of order against provisions in the bill, as amended, for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: page 88, line 10, through page 89, line 6. If an unprotected provision is stricken on a point of order, the Committee of the Whole shall immediately consider the amendment printed in part 2 of the report of the Committee on Rules if offered by Representative Johnson of Connecticut or her designee. That amendment shall be considered as read, be debatable for 30 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The amendment printed in part 3 of the report of the Committee on Rules may be offered only by Representative Young of Alaska or his designee, may be offered only at the appropriate point in the reading of the bill, shall be considered as read, shall be debatable for 30 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. During consideration of the bill for further amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. During consideration of the bill, points of order against amendments for failure to comply with clause 2(e) of rule XXI are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill, as amended, to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore (Mr. NEY). The gentleman from Washington (Mr. HASTINGS) is recognized for one hour.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentlewoman from New York (Ms. SLAUGHTER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for purposes of debate only.

Mr. Speaker, H. Res. 504 is an open rule which waives all points of order against consideration of the bill for failure to comply with section 306 or section 401 of the Budget Act of 1974. The rule provides one hour of general debate, equally divided between the chairman and ranking minority member of the Committee on Appropriations. The rule further provides that the amendments printed in the Committee on Rules report accompanying the resolution shall be considered as adopted.

The rule also waives clause 2, prohibiting unauthorized appropriations and legislative provisions, and clause 6, prohibiting reappropriations in an appropriations bill, of rule XXI against the bill, except as follows: Page 88, line 10, through page 89, line 6.

The rule makes in order those amendments printed in the Committee on Rules report, which shall be considered as read, shall be debatable for the time specified in the report, equally divided between a proponent and an opponent, and shall not be subject to amendment. The rule also waives all points of order against amendments printed in the Committee on Rules report.

Mr. Speaker, the rule permits the Chair to accord priority in recognition to Members who have preprinted their amendments in the CONGRESSIONAL RECORD. It allows the Chair to postpone recorded votes and reduce to five minutes the minimum time for electronic voting on any postponed votes, provided that voting on the first of any series of questions shall be not less than 15 minutes.

The rule waives points of order against amendments for failure to comply with clause 2(e) of rule XXI, prohibiting non-emergency amendments to be offered to a bill containing an emergency designation under the Budget Act.

Finally, the rule provides for one motion to recommit, with or without instructions.

Mr. Speaker, H.R. 4193, the Department of the Interior and Related Agencies Appropriations Bill for fiscal year 1999 was reported by the Committee on Appropriations by voice vote. The bill appropriates a total of \$13.4 billion for fiscal year 1999, which is roughly \$800 million less than the President's request and roughly \$700 million less than what was appropriated last year.

The bill's spending level is equal to the subcommittee's 302(b) allocation
